

**OLD-BRULE HERITAGE SOCIETY, INC.**

*An Invitation to Join Us.*

Our Society is dedicated to the preservation and sharing of the history and heritage within the communities now served by the Northwestern School District of Maple and nearby. From the start we have held educational public programs which are a routine part of our bimonthly meetings. We now maintain a web-site and we publish the bimonthly OBHS News.

We are owners of the Davidson Windmill site and keep an Archive within the Maple Community Center. Important future plans include other heritage sites and facilities to interpret the rural and multi-ethnic cultures of our region. We need your support and help. We ask you to please complete the form below and return it with dues payment to: Old-Brule Heritage Society, Inc.
