OLD-BRULE HERITAGE SOCIETY 2015 ANNUAL MEETING

Sunday, August 16, 2015, 1:00 PM at the Oulu Cultural & Historical Center

The Annual Meeting this Sunday will be our Seventeenth. Our First was announced in our very first newsletter of September 10, 1999. (We can't forget to count the one held in 2000.) This will be our first Annual Meeting without Eddy Walman who passed away this past Thursday at Essentia Health in Duluth at 78. If the word stalwart can be given a meaning in the life of one person it has been that of Edward Walman of Maple. We have hugely benefitted as an organization and as a community in having him with us. He was also blessed with an acute memory of bilingual family historical discussions making them almost first hand reports extending back into the 1890s. Our sympathy goes out to his longtime companion, Karin Colby, and to his extended family, many active in our group, including his sister, OBHS founding member and a former President, Alice Christensen. A *kiitos paljon* (thank you much) goes out to Friend Eddy and to his family.

We also want to thank Duane and Barb Lahti and their crew at the growing Oulu Cultural & Heritage Center/Palo Farm, 71055 Muskeg Road, Oulu, WI, for hosting our Annual Meeting. We will have a pot-luck picnic lunch with coffee served by the Center before our program. This will be a slide talk from Mr. Steven Fortney on his new book, *The Cabin: a North Woods Memoir*, recently published by Nan Wisherd's Cable Publishing in Brule. Our business meeting will close out the gathering, with a short meeting of the new Board to follow.
Guests and New Members are always Welcome!

FROM THE EDITOR:

This is a very important Annual Meeting, due to the departure of so much of our leadership. Our President, Dennis Hill, First Vice President, Brian Paulson, Treasurer Paul Colby and I as Secretary all have reached the last year of our present second two year terms, meaning, according to our bylaws, all will enjoy a year of vacation, before we can call on their Board services again. We are in urgent need of nominees to fill this loss of Board experience. It will be a great opportunity for those still serving for growth in leadership and experience, and new faces will help carry our mission forward. Thank you to all of the departing, and to those willing step forward to take on Board responsibilities.

Those departing will remain active on the standing committee created at our last Board and General meetings created to serve the Monticello School Museum & Archives site, especially with the construction and restoration phases soon coming. The future for OBHS is bright. Our work has just begun. I will continue with this newsletter, with Windmill grounds tours and with MSMA and the Archives. Thank you to all in our supporting membership, and to those contributing to the Friends of Old-Brule Heritage Facebook site. Thanks also to Members Jerry & Pat Anderson, and to Members Cindy Pellman Crider and her husband Duane for their very recent MSMA Founder level donations. The fund has topped \$7000 with much more to go, but these gifts are a great boost and add confidence for basement construction later this summer. .Jim Pellman

1998 to 2005, 2006 to 2015 LOCAL HISTORY PHOTO CALENDARS FOR SALE.

OPINIONS EXPRESSED IN THE OBHS NEWS ARE THOSE OF THE WRITERS ALONE & ARE NOT INTENDED TO REPRESENT OFFICIAL POSITIONS OF THE O-BHS ORGANIZATION.

ARCHIVES/COLLECTIONS COMMITTEE.

Excitement continues to build over the prospects of our new archiving space at MSMA, the Monticello School Museum & Archives. With the changes expected the Archives Committee would welcome other volunteers to help us in this important part of our OBHS mission. Our continuing project is learning to use the computer in support of our work, scanning, interpreting and indexing documents and photos, storing clippings and records and creating databases. The future holds more work on temporary and permanent exhibits using items in our collection, which the school space will permit. Our thanks go to our loyal committee members and document and artifact donors, and to the Town of Maple for Archive storage space. If you enjoy exacting work and interesting conversation please join us at 1 p.m. at the Pellmans' on a Monday afternoon. Next meeting is August 24th, and generally every other Monday thereafter, but we expect this routine to change as we prepare for our new site. Please call Jim at 715-363-2549 to confirm the next meeting time and place.

We started with a moment of silence. Our thanks to the Town of Lakeside for the use of their Town Hall for our meeting and for the Midsummer Celebration event (*Juhannus Juhlat*). Jim was delayed printing the agenda so Paul took minutes through the Archive report.

BUSINESS MEETING

CALL TO ORDER: President Dennis Hill called the business meeting to order at 7:10 p.m.

MINUTES: Motion was made by Brian P. to approve the Minutes of the OBHS General Meeting held April 15, 2015, at the Amnicon Town Hall as printed in *OBHS News* for June 14, 2015. Seconded by Dan B. Motion carried.

TREASURER'S REPORT: Paul Colby submitted his financial report, End of Month and (to date) Report: Checkbook account balances as of May 31, 2015 (to-date 6/18/2015): Accounts; General: **\$756.01 (\$422.72)**; Windmill: **\$1,043.31 (\$947.28)**; Monticello School: **\$4,763.15 (\$4,802.47)**; CD (4-16-15): **\$5,808.08 (no change)**; Total cash assets: **\$12,310.55. (\$11,980.55)** (Thus far \$2,190 has come in to the MSMA fund in Memory of Muriel Idziorek, mother of Jan Conley. Our thanks to her and her family.)

Budget proposals and adoption: We have been trying to set up a meeting for budget work by our "finance committee." This should be done as soon as possible. Motion by Earl G., seconded by Dan B. to approve Paul's report. Motion carried.

OLD BUSINESS:

Davidson Windmill/Eskolin House/Taylor's Bridge Committee:

Windmill Site, Chairman Brian Paulson Report: A work day was held on Saturday, June 13. Enthusiastic crew included Ron H., Mary Ann, Alice, Brian, Jim, Dan, Jack, Marilyn. Paver forms are needed at the new \$20 donation amount. Ms. Pat McCabe will now be doing the paver engraving. Pat Grube has put the two treated replacement timbers (12 x 12 x 14 ft.) out where Brian can inspect them before installation on Taylor's Bridge. The deck is cribbed for now. Ron H. has been oiling bolts and nuts. There has been discussion about need for a cherry picker or man-lift to get high enough to work on the windmill blades with blade painting and other work to be done this summer, hopefully on a donated basis. Jim also has scaffolds available as used in the past. The man-lift cost might be \$200.00 for a weekend plus the trips to get and return it. Hope to have it donated. It is not known whether Jennifer Sloan will be able to continue her painting at the mill this summer. Discussed previous staining/sealing & 10 tubes of caulk by Dennis H. & Jim P. The Helmer & Beatrice Osland paves seems to be missing. Paver donation of \$20 should be updated on form of the OBHS website.

OBHS Monticello School Museum and Archive (MSMA) Facility Project Report: Jim reported. Work phases are broken down with Phase I, the move of the school saving it on the old Maple School site. Phase II is the construction of the driveway and the planning for this. Phase III is to be the construction of the basement. Kevin Mackie Construction, who bid \$17,350.00 for labor & materials, with add-ons of \$600 for vault enclosure, and \$500 Wirsbo tubing installed, Total: \$18,450.00, has signed the work contract. We have a six month window where he will hold that price as we fund raise. The Woodhulls earlier had given Dennis a bid of \$2000 to move the school onto the finished foundation. Fund-raising brochure packages have been mailed out to Bell Lumber & Pole and to the National Bank of Commerce. More potential donor contacts are coming. Phase IV is the total restoration of the school building. Dennis has created a fund raising pamphlet with help from Doreen S. and Jim. Other grants are being considered, and our local capital campaign has started.

See current donors list on line & in the newsletter. Thanks to Jeanne Gardner & *The Connection* and to Maria Lockwood of the Superior *Telegram* and Duluth *News Tribune* for their articles. This led to huge attendance at our last General Meeting in Amnicon with an estimated 120 + enjoying the evening. 106 did sign in. Jim toured ghost town sites with Jed Carlson and Maria Lockwood of the *Telegram* Wednesday, last week, and more tours are ahead, weather permitting.

Donors who have given under \$100 are members of the George Washington (Mount Vernon) Club; those giving \$100 up to \$250, the Cal Coolidge (Canoer) Club; those giving \$250 up to \$500, the Thomas Jefferson (Monticello) Club; those giving \$500 up to \$1000, the Abe Lincoln (Log Cabin) Club; and those giving \$1000 and above will be in the Old-Brule MSMA Founders Club

Membership and Publicity Committee: Our Secretary is still handing out and gathering our hours donated Blue Sheets. Please get them in before the Annual Meeting (covering Aug. 1, 2014 to July 31, 2015). Mary Ann reported that Paul & Mary Ann have been submitting publicity requests. She reported as well on the Midsummer planning. Huge success due to good press coverage lately for our “Ghost Towns of Northern Douglas County” Program. More to come.

Archives Committee: Earl reported: The committee could use more help. Next meeting: Monday, 1 p.m., June 29, 2015 at Pellmans’. Thanks from Jim to Earl, Audrey, Betty, Mary Ann, & Nancy (our Group Historian) & Shirley U. for keeping us on track. Earl is making great strides with our archive scan index. We can always use new help with loss of archive stalwarts. Dicky Tuura has a large old bell that could be displayed on the MSMA grounds. Mary Ann is following up. Duane & Kathy Colby have donated a large wooden pulley that came from the Melvin Esselstrom Estate. Member Raymond Saari donated *kupparit* (Finnish blood-letting horns) and his Town of Maple baseball uniform from 1949. Dicky Tuura has donated a Xerox copy of “Sentinels of the Past”, a 1961 paper by Jane Pearson Grimsrud. Thanks to all. All of this is being processed, and the Elmer Hermanson donated materials are nearing the completion of the first stage in accessioning with scanning to follow. Our “new” main computer is working well.

Publications Committee:

Pollari Memorial Map Project Report: No change. We have talked with Randy Jones who is enthusiastic about getting the map ready for us. We will advance when he is ready. He’s has costly software updates.

Calendars: The 2015 calendars have sold well. They have been at Cable Publishing, Twin Gables & Round Up North in Brule, and at Poplar Hardware and Poplar Village Market, and at Sharon’s Restaurant in Lake Nebagamon. Thanks to all who are selling them for us, and to Laila M. who takes good care of the Brule end.

Books: *Sisu and Sauna Reprint (Lakeside History):* Work is going on to revise the first edition. Interesting materials are emerging on “Friends of Old-Brule Heritage Society” on Facebook. *Looking for a New Frontier* (Pearson Family) Jerrard’s *Brule River of Wisconsin* are selling, and have been reordered. *Wisconsin Far Northwest* reprint will be needed fairly soon. OBHS member and book publisher, Nan Wisherd, has been helping in securing bids for the WFNW reprint, and supports a table top book with reprints from our calendars. Book sales have been steady at Poplar Hardware. Jane Grimsrud’s new book, re her first part of Cloverland’s history called *Brule River Forest and Lake Superior: Cloverland Anecdotes*, available through us at Poplar Hardware, was reordered. Nan Wisherd at Cable Publishing is waiting on Jim to move forward on the Calendar Book.

Merchandise Inventory: No change. We have filled the gap in our T-Shirt inventory, and also have approved a few shirts made with the new aerial view OBHS design. (4 each of small, medium, large & extra-large for the former decided upon. “I’ve been through the mill” the most popular. May need to be reordered.)

Projects: Gene Davidson DVD proposal: still working this idea. Need to follow up on production leads provided by member D. Basil Edgette. David Lee has a winch used in lifting ice from Lake Nebagamon pre-refrigeration days. This is still being investigated. Nebagamon ice was shipped all over the country via the DSS&A before it was pulled.

Sleepy Valley Loop Pony Truss Bridge: Thus far there has been just a call from Ross Johnson in Eau Claire DOT to confirm our positive decision. A committee was formed to handle the mitigation project when needed: Ron H, Lila R, Earl G., Dennis H., and Paul C.

Button Creation: Still work ahead. Hope S. has been working on this in support of the Monticello School project. Pat McCabe has offered to help Hope. No more action until we have new text and designs.

Vouchers for 20% off regular admissions have been sent out by the Wisc. Council for Local History. See Jim.

Other Old Business:

One-third of the Great Northern's work force left to serve in the US military forces. The women gathered in this photo were willing and capable local replacements. The lives of many families in the Old-Brule region were shifted to Superior to work in its defense industries. If any of the other women in this picture can be identified we would appreciate your help. If you have any ideas we will enlarge individual faces for you. *From the collection of the late Aili Soyving, courtesy of Mary Ann Gronquist.*
